

KEY VISTA

Key Vista Clubhouse Parking Policy

ALL AFTER HOURS PARKING REQUIRES A PERMIT.

RESTRICTIONS ARE AS FOLLOWS:

- Overnight parking is permitted twice per calendar month, per lot, and requires a permit.
- 24-hour parking is permitted once per calendar month, per lot, and requires a permit.
- 48-72 Hours parking is permitted once per quarter, per lot, and requires a permit.

Parking permits will only be issued to vehicles registered in a homeowner's or lessee's name. Guests of owners or lessees must park in the owner's garage or driveway.

A parking permit can be obtained from the Clubhouse Manager during posted clubhouse business hours. Any vehicle found parked in the clubhouse parking lot that does not have a parking permit will be subject to tow.

Accommodation for special occasions that require more time or space will be considered on a case-by-case basis with at least 48 hours advance notice.

These rules may be amended at any time if, in the Board's opinion, permit parking infringes on other homeowners' use and enjoyment of the clubhouse amenities.
