ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Key Vista Villas Homeowners Association, Inc.
Holiday, Florida

We have reviewed the accompanying balance sheet of Key Vista Villas Homeowners Association, Inc. (a Florida not-for-profit corporation) as of December 31, 2014 and the related statements of revenues, expenses, and changes in fund balance, and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Association management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

The Association is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the information about future major repairs and replacements of common property be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have compiled the supplementary information without audit or review, and, accordingly, we do not express an opinion or provide any assurance on it.

The information included in the accompanying supplementary schedules on General and Administrative Operating Expenses and Actual to Budget Comparison-Operating Fund are not a required part of the basic financial statements, but are presented for the purposes of additional analysis. Such information has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, and we did not become aware of any material modifications that should be made to these schedules.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 1 - NATURE OF ORGANIZATION

Key Vista Villas Homeowners Association, Inc. is a homeowners association (a not-for-profit corporation) incorporated in the State of Florida on July 18, 2000. The Association is responsible for the administration, operation and maintenance of the common areas of the Key Vista Villas Homeowners Association. The common property includes the clubhouse, pool, parking lot, trees, lawns, and shrubs. Key Vista Villas Homeowners Association, Inc. consists of 167 residential units located in Holiday, Florida. Disposition of the common area elements requires consent of the members. All policy decisions, including the annual budget, are formulated by the Board of Directors. Major decisions are referred to the general membership before action is taken.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Association's significant accounting policies applied in the preparation of the accompanying financial statements are as follows:

Basis of Presentation

The accompanying financial statements include the assets, liabilities, fund balances, revenue, and expenses as determined using the accrual basis of accounting. Income is thereby recognized in the period in which the right to receive such income is established, not necessarily when it is received, and expenses are recognized in the period in which they are incurred, not necessarily when they are paid.

Fund Accounting

The Association's governing documents provide certain guidelines for carrying out its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund - This fund is used to account for financial resources available for the general operations of the Association.

Reserve Fund - This fund is used to accumulate financial resources designated for future major repairs and replacements.

Member Assessments

Association members are subject to annual assessments, payable monthly, to provide funds for the Association's operating and replacement reserve funds. The annual assessments are determined by the Board of Directors. The Association's policy is to retain legal counsel and place liens on the properties of unit owners whose assessments are ninety days or more delinquent. Interest is charged on past due accounts in accordance with the Association's covenants. The excess of assessments over expenses of operations at year end, if any, is retained by the Association for use in the next year.

Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Association considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Association places its cash with high credit quality financial institutions, and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

The Association capitalizes all property and equipment to which it has title or other evidence of ownership, with the exception of real property directly associated with the units. Common personal property and equipment are stated at cost. As of December 31, 2014, no personal property has been capitalized.

NOTE 3 - OWNERS' MAINTENANCE ASSESSMENTS

Association members are assessed annually to provide funds for the Association's operating expenses, future capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date represent fees due from unit owners. Delinquent accounts are considered collectible until such time that the Board of Directors has exhausted the collection process and in the opinion of legal counsel, all or a portion of the balance is deemed uncollectible. For the current fiscal year, \$7,973 of assessments were collected that had been previously written off as bad debt. Therefore, \$7,793 was recorded as bad debt recaptured.

The owners' monthly maintenance installments in effect during the period covered by this review were \$123.

NOTE 4 - INCOME TAXES

The Association filed its federal income tax return for 2014 as a homeowners association under Section 528 of the Internal Revenue Code. Under Section 528, income from unit assessments is not taxable to the association and expenses related to providing the services required of the association are not deductible ("exempt function" income and expense). Generally all other income not received by pro rata assessments of the association members net of any expenses directly related to the generation of such income is fully taxable to the extent such net income exceeds \$100 ("non-exempt function" income and expenses). Homeowner associations filing under Section 528 are exempt from State of Florida corporate income taxes. For the year ended December 31, 2014, the Association owed no federal income taxes. An Association's income tax returns are subject to examination by the Internal Revenue Service for the period ending three years after the return is filed. As of December 31, 2014, tax returns for the calendar years of 2011 through 2013 remained subject to examination.

NOTE 5 - COMMITMENTS

The Association has entered into various agreements with vendors to maintain the common property. These agreements are of differing expiration dates and renewal terms.

NOTE 6 - RESERVE FUND

The Association's governing documents require that funds be accumulated for future major repairs and replacements. These accumulated funds are held in separate savings accounts and are generally not available for expenditures for normal operations.

The board is funding for major repairs and replacements over the remaining useful lives of the components, based on estimates of future replacement costs, and considering amounts previously accumulated in the replacement fund.

Funds are being accumulated in the replacement fund based on estimated future costs for repairs and replacements of common property components. Actual expenditures and investments income may vary from estimated amounts, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to membership approval, to increase regular assessments, pass special assessments, or delay major repairs and replacement until funds are available.

Current reserve activity is as follows:

<u>Components</u>	<u>Beginning Balance</u>	<u>Amount Funded</u>	<u>Expenditures</u>	<u>Transfers</u>	<u>Ending Balance</u>
Painting Reserves	\$ 265,553	\$ 61,814	\$ (317)	\$ 610	\$ 327,660
Common Area Reserve	34,214	10,762	(32,338)	30,152	42,790
Unallocated Interest Reserve	1,766	2,013	(30)	-	3,749
Total	<u>\$ 301,533</u>	<u>\$ 74,589</u>	<u>\$ (32,685)</u>	<u>\$ 30,762</u>	<u>\$ 374,199</u>

In 2014, the Association transferred \$30,762 of excess Operating Funds to the Reserve Fund. This is shown on these financial statements as an Interfund Transfer on the income statement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the value of such assets and liabilities.

NOTE 8 – SUBSEQUENT EVENTS

In preparing these financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through March 20, 2015, which is the date the financial statements were available to be issued.

NOTE 9 – CONCENTRATION OF CREDIT RISK

The Association's primary source of income is assessments paid by owners. The Association's policy is to retain legal counsel and place liens on the properties of unit owners whose assessments are ninety days or more delinquent. Interest is charged on past due accounts in accordance with the Association's covenants. Should the collection of such liens be enforced by the sale of the unit, the collectability of the receivable is dependent on the quick sale market value of the unit, and the amount of any such other liens which have priority. Market value may be influenced by the real estate market in Holiday, Florida.

SUPPLEMENTARY INFORMATION ON FUTURE MAJOR REPAIRS AND REPLACEMENTS

(Unaudited)

DECEMBER 31, 2014

The board of directors has estimated the remaining useful lives and the replacement costs of the components of the common property. The estimates were based on future estimated replacement costs.

The following table is based on these estimated values, and presents significant information about the components of the common property.

<u>Components</u>	<u>Estimated Remaining Useful Life (Years)</u>	<u>Estimated Replacement Cost</u>	<u>2015 Full Funding Requirement</u>	<u>Components of Fund Balance 12/31/2014</u>
Painting Reserves	-	\$ 380,000	\$ 32,200	\$ 327,660
Common Area Reserve	9	120,770	12,811	42,790
Unallocated Interest Reserve	-	-	-	3,749
Total		<u>\$ 500,770</u>	<u>\$ 45,011</u>	<u>\$ 374,199</u>

A professional study to determine the adequacy of the current funding program for replacement and deferred maintenance of the Association's common areas was not conducted in 2014.
